12  
13 **ORDER RE: ORDER GRANTING IN  
14 PART DENYING IN PART MOTION  
15 TO DISMISS**

16 Re: ECF No. 189  
17

18 The Court has restricted public access to the order Granting in Part Denying in Part Motion  
19 to Dismiss, ECF No. 189, because it contains or refers to material subject to sealing orders.  
20 Within seven days of the date of this order, the parties shall file either (1) a stipulated proposed  
21 redacted version of the order, redacting only those portions of the order containing or referring to  
22 material for which the Court has granted a motion to seal and which the parties still request be  
23 sealed, or (2) a stipulation that the parties agree that no redaction is necessary. If the parties  
propose redactions, they shall also email a PDF copy of the proposed redacted order, without any  
ECF headers, to [jstpo@cand.uscourts.gov](mailto:jstpo@cand.uscourts.gov). The Court will review the parties' proposal and issue a  
redacted version of the order. If the parties stipulate that no redaction is necessary, or if they fail  
to file a timely stipulation, the Court will allow full access by the public to the unredacted order by  
removing the restrictions on ECF No. 189.

24 **IT IS SO ORDERED.**
